

Department of Industrial
and Systems Engineering
UNIVERSITY OF WISCONSIN-MADISON

(Please complete the form electronically and submit [HERE](#))

Industrial Engineering, Doctoral Minor (Option A for Non ISyE Graduate Students)

Students should consult with their Ph.D. faculty advisor first for more information on their specific department policies on minor course work use and sign approval below. Courses completed to satisfy minor requirements in Industrial Engineering may or may not also satisfy Ph.D. program requirements for their primary degree program. To apply to this minor, log in to MyUW, click on Graduate Student Portal, and then click on [Add/Change Programs](#). Select the information for the doctoral minor for which you are applying. Once the form is completed with planning, please upload the form to the link above for review and approval by the Industrial Engineering Department. Please contact the ISyE Graduate Coordinator if questions – prpeterson@wisc.edu. [Graduate School Breath / Minor Policy](#)

To satisfy Option A requirements for an [Industrial Engineering Doctoral Minor](#):

- Students must complete at least 9 credits of Industrial and Systems Engineering (I SY E) courses numbered 300 or above.
- A minimum GPA of 3.20 is required for coursework. A course with a grade of C or lower cannot be used to satisfy minor doctoral requirements.
